

# Electronic Cable Assembly

**Innovative. Integrated. Exceptional.**

## Your Trusted Partner in Custom Cable Assembly in Texas, USA

**BENCOR** delivers cutting-edge custom cable assembly services tailored to the rigorous demands of industrial applications. Our in-house team optimizes every assembly for precision, durability, and performance. We handle the complexities of custom cables, connectors, and product integration—ensuring seamless, reliable connectivity that powers your equipment.

### Our Core Offerings

**We specialize in bespoke cable assemblies designed for your unique specifications, from low-volume prototypes to high-volume runs:**

- **Custom Wire Harnesses and Cable Assemblies:** Precision-built for optimal performance in demanding conditions.
- **Connector Termination and Integration:** Reliable connections across a wide range of industrial interfaces.
- **Value-Added Services:** Including kitting, labeling, testing, and electromechanical integration.
- **Specialized Industrial Cables:** For extreme environments (temperature, radiation, mechanical stress, flexing, torsion).
- **Prototyping to Volume Production:** Fast-turn prototypes with scalable manufacturing and JIT support.
- **Industry-Specific Solutions:** Serving Communications (Satellite, GPS, Telecommunications), Transportation (Interior Lighting, A/V, Fuel Monitoring), Oil & Gas – Industrial (Temp Sensors, Servo Motors, CNC Machines, Automation, Robotics), plus medical, security and more.

**✓ Rigorous Quality Assurance ✓ Seamless Integration  
✓ Seasoned Engineering Expertise ✓ Custom Service**

**Let us craft the custom cable solutions that power your next innovation.**

### Why Choose BENCOR?

BENCOR's deep understanding of industrial demands ensures durable, high-performance cables that meet or exceed your industry standards.

We leverage advanced materials and techniques for precision assembly, reducing failures and enhancing reliability in even extreme conditions.

Enjoy personalized technical guidance and project updates with a focus on your success.
